

## **Contacting Capt. Gregory C. Daley At Sea & On Land**

Capt. Daley's schedule alternates between an onshore period of 60 days and an offshore period of 60 days. When offshore, he is the master of the M/V Art Carlson, operating off the coast of Equatorial Guinea, Africa.

### **When Capt. Daley is onshore**

Contact by phone:           +1 (337) 456-5661 (Office)  
                                      +1 (337) 237-7777 (2<sup>nd</sup> Number)  
                                      +1 (310) 463-6626 (Cell)

Contact by email:           [info@captaingreg.net](mailto:info@captaingreg.net)

### **When Capt. Daley is offshore**

Contact by phone:           The phones above are monitored daily. Capt. Daley or an associate will return your call within 24 hours.

Contact by email:           The above email is monitored daily. Capt. Daley or one of his associates will respond to your email within 24 hours.

Once engaged on a consulting project, a secure satellite personal email will put you in direct email contact with Capt. Daley on his vessel. This address is not published here as a fee is paid to receive and send messages via this account. Capt. Daley will provide this email address when engaged on a consulting project. Only emails of less than 10kb can be received on this account.

### **M/V Art Carlson**

The vessel has a satellite telephone system. Captain Daley can be reached on the Art Carlson at +8816-2145-8687 at any time. The satellite phone's first four digits (+8816) are the country code for the satellite system.

The vessel has a public satellite email system. This system is not secure. All of the ship's officers and many of the crew have access to the contents of the vessel's emails. Emails over a size of 10 kb are not accepted. The vessel's public email address is [artcarlson@tdwboats.com](mailto:artcarlson@tdwboats.com).
